actions for operational supplies and equipment to replace these stocks will be initiated and the procurement charged to 6807 allotment to recover the value of stocks issued to operational elements.

f. Supply Catalog Change Bulletin: (new and completed item)

Supply Catalog Change Bulletin No. 1, dated February 1955, effective 30 April 1955, has been sent to Reproduction Division for photographing of panels. This is the first publication of the series which will be issued on a bi-monthly basis. It contains 590 new items, 106 revisions to items already published, and deletes 12 items carried in present catalogs.

25X1A

25X1A h. Approval of Safe Files [REDACTED] (new and completed item)

Headquarters approval was furnished [REDACTED] for field procurement of 150 safe files, Remington Rand, with modification kit. These safe files, which will be procured locally through GSA, are needed to meet an urgent requirement occasioned by the move of the [REDACTED] to a new location around 1 June 1955. Concurrence of this approval was obtained from Security, FE [REDACTED] and Procurement Division. Local purchase authority was granted because of non-availability in either Headquarters stocks or from ZI procurement.
